

- **High school activities** to recruit the next generation.
- **Diversity-Equity-Inclusion office**, staff well-being workshops, on-, off- and cross-boarding.
- **Gender equality recruitment** to hire and retain diverse faculty.
- **Events to celebrate diversity** and promote sustainability.

The CIT promotes **HUMAN SUSTAINABILITY**

Human Sustainability is the degree to which an organization creates value for people as human beings, leaving them with greater health and well-being, stronger skills and greater employability, good jobs, opportunities for advancement, progress toward equity, increased belonging, and heightened connection to purpose.
